

Parents - All you need to know!

Please read and complete the information on the inside of this page. Once completed cut this page off and return it to the person organising the party. Please do not hesitate to contact the main office in Bromsgrove if you would like further information.

Bear Creek Adventure Ltd & Edgbaston Watersports has been instruction outdoor activities & watersports for over 10 years and is one of most highly respected centres in the West Midlands. We openly encourage the participation of young people in outdoor activities & watersports at all levels through our schools programme, junior academy and holiday schemes.

Company Recognition. The Company is recognised by the Royal Yachting Association, and holds an 'Adventure Activities Licence' (AALA approval) and the have been awarded The LOTC (Learning Outside the Classroom) Quality Badge, for Adventurous Activities. We were the first outdoor adventure centre to be awarded this prestigious award in the West Midlands. It is required to have inspections by these National Governing Bodies (NGB's) to ensure that it meets with industry standards. All areas of the operation are inspected with close attention given to health and safety, insurance, coaching standards, equipment quality and condition.

Staff. All instruction at Bear Creek Adventure Ltd & Edgbaston Watersports is provided by qualified instructors. All of our instructors undergo in-house training to ensure that health and safety issues specific to Bear Creek Adventure Ltd & Edgbaston Watersports are covered. Our instructor / student ratios comply with NGB recommendations. All of our staff are first aid qualified, and have been Criminal Records Bureau (CRB) checked at the Enhanced level.

Buoyancy Aids, Wetsuits and Helmets. Buoyancy aids are compulsory and are provided for all participants. They are fitted by our instructors to ensure correct size and usage. Wetsuits will be provided by the Company for activities that involve regular immersion. The use of helmets will be at the discretion of the Instructor on the day.

Equipment. All of our equipment is replaced on a regular basis and undergoes daily maintenance checks to ensure good safe working condition. All of our junior equipment is designed and chosen specifically to assist young people in learning new skills.

Water confidence. All participants, including adults, involved in 'on water' activities must have a degree of water confidence. They do not have to be able to swim, our buoyancy aids provide more than adequate floatation, However we do ask that we are informed of the non-swimmers

Valuables. Please be aware that we do not have lockers and can not accept any responsibility for the loss of, or damage to, valuables and personal belongings.
